

## The Christian Campaign for Nuclear Disarmament - Constitution revision

### 1. **Name**

The name of the organisation shall be the Christian Campaign for Nuclear Disarmament (hereafter referred to as CCND)

### 2. **Basis**

CCND is an Unincorporated Association and is established as a "Specialist section" of the Campaign for Nuclear Disarmament (CND) in accordance with Part 2 of *Regulations made under section 56 of the Articles of Association of the Campaign for Nuclear Disarmament*

### 3. **Aims**

CCND seeks to follow the example of Jesus Christ and in doing so take the aims and objectives of CND into the Christian community. CCND members believe this is part of their Christian vocation.

CCND:

- Works for international peace and disarmament, and a world in which the vast resources now devoted to militarism are redirected to the real needs of humanity;
- Supports all genuine disarmament measures and attempts to build community and reconciliation;
- Opposes the use of Weapons of Mass Destruction and of threats to use them in any circumstances
- Recognises all weapons of mass destruction are a serious threat to humanity and the future of God's creation. They are a sign of human disobedience to God's law for us, and also a rejection of international law. These weapons are immoral and do nothing to increase the security of any state;
- Rejects all 'defence' strategies based on weapons of mass destruction and calls for immediate and unconditional disarmament of nuclear weapons by the United Kingdom in order to play a part in achieving a world free of nuclear weapons.
- Seeks to be a distinctively Christian voice in the wider disarmament community

### 4. **Objectives**

CCND shares the objectives of CND on matters of nuclear weapons and other weapons of mass destruction as set out at CND Annual Conference. In pursuing these objectives, CCND seeks to:

- See nuclear weapons abolished
- Be a Christian voice fulfilling the objectives of CND, both in the Christian community and wider society.
- Secure debate and education at all levels within the Christian churches, and to help Christians work for a world free of nuclear weapons and towards a world based on peace and justice;

- Provide support, resources and a focus for those in the churches wishing to witness against such weapons and their underlying causes;
- Encourage Christians to actively support the work of CCND and CND in prayer by providing guidance and stimulation for prayer;
- Explore inter-faith understanding and co-operation in establishing justice and reconciliation.
