

Christian Campaign for Nuclear Disarmament

**Nuclear Ban Treaty:
Hope for a nuclear weapons-free world**

This is a free event open to all. It helps our planning if you register in advance through the Christian CND website or bit.ly/CCND2018

Christian CND is returning to Coventry Cathedral on Saturday 6 October for our AGM and Conference. The day will be focusing not only on the good news of the Ban Treaty but on how we can share this among Christians here and what we should be pressing our own Government to do to engage with the Treaty. There will also be workshops, prayer and plenty of time for discussion.

The motion passed by the Church of England General Synod on the Ban Treaty has given the campaign fresh impetus, and we will be discussing how we take that forward in the coming months.

Speakers include:

- **Canon Sarah Hills** from Coventry Cathedral will provide our welcome and talk about the work being done in Coventry to bring about peace and reconciliation.
- **Ben Niblett** from Tearfund will talk about campaigning successes and engaging Christians.
- **Janet Fenton** from Northern Friends Peace Board will talk about latest developments with the Ban Treaty and what the UK can do to engage.

The Conference will be followed by Christian CND AGM, which is open to all members, though only those with 10 months membership may vote. For more information or if you are interested in standing for a position, please contact the Christian CND Office
