THE **Christian Campaign for Nuclear Disarmament** is a national movement of Christians working and praying for a nuclear weapons-free world. We are a specialist section of CND.

Christian CND brings the hope of Jesus Christ to campaigning against nuclear weapons, raising awareness of these issues in the Christian community. We want to see nuclear weapons abolished by following the example of Jesus and being a distinctively Christian voice for nuclear disarmament.

Christian CND works with believers from different denominations and traditions, seeking a world of peace. Jesus' death and resurrection enables us to have peace with God, and motivates us as we strive for peace on earth.

We believe that nuclear weapons are contrary to the teachings of the Bible and the ministry of Jesus Christ.

- The Bible is clear about the sanctity of all life created in the image of God, nuclear weapons are the ultimate killing machine.
- They have the potential to destroy God's creation, of which we are called to be good stewards.
- Jesus calls us to be peacemakers (Matthew 5:9). The continued maintenance and development of nuclear weapons is not a foundation for being a peacemaker.
- This is why we confidently seek that the jobs and skills involved in nuclear weapons are converted to peaceful uses.
