## We, the undersigned

Warmly welcome the adoption of the UN Treaty on the Prohibition of Nuclear Weapons on 7 July 2017 as a significant step towards the realisation of a nuclear-weapon-free-world;

Share the deep concern expressed in the preamble about the catastrophic humanitarian consequences that would result from any use of nuclear weapons and we recognise the consequent need to eliminate these inhumane and abhorrent weapons.

As faith leaders we pledge to make the moral case for the TPNW and to call on the UK government to sign and ratify this landmark treaty, as we consider the abolition of nuclear weapons to be a global public good of the highest order and an essential step to promote the security and well-being of all peoples.
