

Christian CND Prayer Diary – October 2024

During October, as members meet together in person at our AGM and Conference, and when we meet online to pray, we know that Jesus himself is with us.

With confidence, we ask the Lord for the things we need:

Pray with us

That the Holy Spirit will enlighten our thoughts and words when we share with others our hope for a world free of nuclear weapons.

That Christian CND will continue to work in a fitting and valuable way to advance God's Kingdom, a kingdom of peace

That true progress is made in the UK and internationally, in the work of nuclear disarmament

Christians working and praying for a nuclear weapons-free world
